

**Product Announcement
June 2009**

Plastic Fastener Company releases a new range of products - Underfloor Heating Pipe Staples

Tech-Fast is pleased to announce the release of a new range of products.

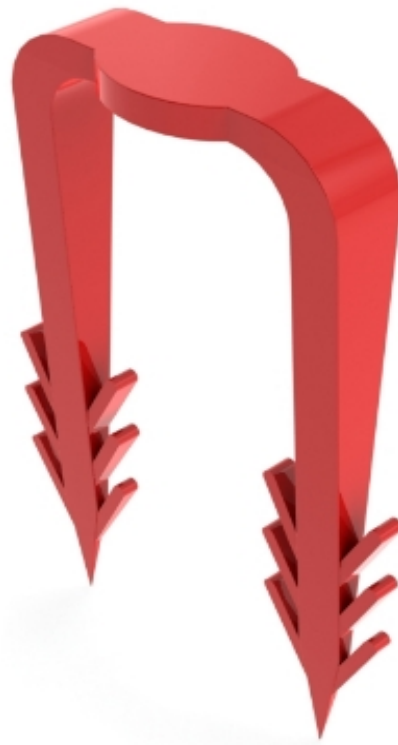

Corner Staple - Underfloor Heating

Key features:

Used in confined spaces
Standard fixing for rail systems
Ideal for securing radius on rail returns
48mm long
Supplied in either polypropylene
or nylon dependant on application

Manufactured in engineering grade polymers in high density production tooling, Tech-Fast is able to offer significant economic benefits to installers of UFH (Underfloor Heating) systems.

Added to continued product development, Tech-Fast aims to become the preferred supplier to the market for fixings & fastenings. Development continues for the new UFH rail system

When it comes to '**engineered solutions to everyday problems**' talk to Tech-Fast first, we are where industry comes to for the answers to their fastening & fixing needs in plastic.

Tech-Fast (a division of GBK UK Limited)

Specialises in the design & supply of technical plastic fasteners, closures & components. The company is active in all major global markets.
