Plastic Fastener Company releases new versions of the popular Pine Tree Clip range

Tech-Fast is pleased to announce 6 new additions to the range of Pine Tree Clips offered by the company

Pine Tree Clips

Simple, safe, secure & non conductive panel fastening system. Pine tree clips, also known as Fir Tree Buttons and have long been the most popular method of securing 2 or more panels securely with an attractive head detail.

Tech-Fast offers a premium range of 26 part references through our web-site. Additional parts are also available, please contact the sales desk with specific requirements.

The new products offer hole sizes between 5.0mm & 8.0mm, with panels ranges from 1.7mm to 19.0mm & head diameters between 11.0mm & 21.0mm. Sales drawings are available on line & samples can be requested through the sales desk.

When it comes to '*engineered solutions to everyday problems*' talk to Tech-Fast first, we are where industry comes to for the answers to their fastening & fixing needs in plastic.

Tech-Fast (a division of GBK UK Limited)
