Plastic Fastener Company extends range of Venting Filters

Tech-Fast is pleased to announce new part numbers introduced to popular product range

Hydrophobic and Oleo Phobic Venting Filters

Also known as Vent Pills or Pressure Balance Elements, these products protect sensitive equipment from water or oil ingress, whilst allowing the products to breathe.

Tech-Fast now offers: Snap In Mount, Screw In Mount and overmoulding product versions.

Used in electronic systems, braking systems and lighting systems Venting Filters ensure products work at their optimum condition at all times

When it comes to '**engineered solutions to everyday problems**' talk to Tech-Fast first, we are where industry comes to for the answers to their fastening & fixing needs in plastic.

Tech-Fast (a division of GBK UK Limited)

Specialises in the design & supply of technical plastic fasteners, closures & components. The company is active in all major global markets.
