Plastic Fastener Company releases a range of Tube, Hose and Pipe joint fixings

Tech-Fast is pleased to release details of their latest new product offer

Hose, Tube and Pipe Joint Fixings

This range of tube connectors is the latest new product group offered by Tech-Fast.

Covering multiple tube sizes and fixing options ranging from simple straight connectors to more detailed technical connectors where joint integrity is of paramount importance.

Manufactured from premium grade engineering polymers, this range offers premium product selection for literally thousands of jointing connection problems

When it comes to '**engineered solutions to everyday problems**' talk to Tech-Fast first, we are where industry comes to for the answers to their fastening & fixing needs in plastic.

Tech-Fast (a division of GBK UK Limited)

Specialises in the design & supply of technical plastic fasteners, closures & components. The company is active in all major global markets.
