

Bumpers & Feet

Cable Management

Filter Products

Panel Access & Motion

Panel Fasteners

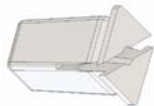

Panel Protection

### Products In Focus - Hole Bushing

Bushing provide protective edge protection to holes & apertures which are not always smoothly finished. Bushings allow cable to pass through these ports without damage

### Product In Focus - Screw Grommets

Screw grommets are used as a fixing position to fasten 2 or more panels together via the use of a screw which fastens into the screw grommet. Very high retention
